

We had 1359 hd of cattle today at Martin Livestock, with majority of them being feeder cattle. The market was strong to steady on all classes of cattle. Weigh up cattle were still strong as high yielding and feeding cows bringing 105-111 with middle cut of cattle bringing 95-104, lower yielding cows were 93 and below. All classes of calves were in demand and the outlook looks very good on these cattle moving into the coming months. If you have cattle to market please contact Joe 605-515-0257 or Trent at 605-454-0658 to come out and visit.
